

# Join Our Sales Team

Our marketing team, the largest in the NWT and Nunavut, helps Northern businesses and governments get their message out and grow.

We have an opening for a sales representative - seven weekly publications serving two territories, two busy websites with hundreds of digital downloads and thousands of views each day, Facebook and Twitter channels.

Our graphic designers deliver impact in print or on the web, assisting our customers in developing their brand or moving goods through the door for special sales.

If you have experience in retail sales, we offer an attractive base salary, significant sales commission and complete employee benefit package.

**Interested people should call Publisher Bruce Valpy** at 766-8228 to talk about the possibilities or email [valpy@nns1.com](mailto:valpy@nns1.com) to set up a time to meet.  
**'No time like the present for a positive change.'**
